

Dear Parents, Parishioners, and Friends,

St. Bruno School Strategic Planning Committee has been working hard on rejuvenating the goals for St. Bruno School. Below are the overall goals we are purposing for the newest edition of our strategic plan. Please review the goals and submit any comments in the collection basket, email Amy Epplin at baepplin@mac.com, or contact a committee member. Thank you for your continued support in taking St. Bruno School into the future!

St. Bruno School's Goals Created March 2011

Catholic Identity of the School: St. Bruno School will design and implement a program to enhance the catholic identity of our school.

Ownership, Governance and Administrative: St. Bruno School will engage the parents and the parish communities to ensure the School Board is responsive to student, school, and parish needs.

Enrollment: St. Bruno School will design and implement a marketing plan for the school.

Curriculum: St. Bruno School will ensure the needs of every child are addressed through curriculum mapping.

Staffing: St. Bruno School will design and implement a staff development and training program based on our students' and school's needs.

Technology: St. Bruno School will establish a Technology Committee that ensures technology is kept current, up-to-date, and used appropriately.

Finances: St. Bruno School will operate in a fiscally responsible manner under a balanced budget maintaining needs of the school are addressed.

Facilities: St. Bruno School will implement a facility maintenance plan that will prepare for current and future needs.

Development and Public Relations: St. Bruno School will design and implement overall development and marketing strategy that will also raise more revenue and coordinate fundraising activities.

School and Community: St. Bruno School will maintain and increase communication with Pinckneyville and Du Quoin High Schools and the parish communities including St. Bruno, Sacred Heart, St. Mary Magdalen, Immaculate Conception, St. Charles, and Our Lady of Lourdes.
