St. Bruno School  
210 North Gordon Street

August 15, 2013

Dear Parents/Guardians,

Welcome to a new school year! We are looking forward to this school year, and we are excited to have you be a part of St. Bruno School. Please take time to read the Student-Parent Handbook. If you have any questions or concerns, know that our doors are always open for you. We will work hard to provide a safe, positive learning atmosphere for both students and teachers. St. Bruno provides an environment that allows the teachers to teach and the students to learn. Let's make St. Bruno School the type of school we can be proud of by helping students reach for their goals in life.

The purpose of this handbook is to clarify regulations; policies and procedures that guide all of us as we work together as partners in the education of your child/ren. It will serve as a reference and guide us when different occasions arise. Please read it carefully as each year there are changes and adjustments in various policies and procedures. Please sign the receipt at the bottom stating that you have read and understand the contents of the handbook. It takes a commitment from home and school to achieve the quality education we all desire.

At St. Bruno Catholic School, we expect each child to do the very best with the talents God gave him/her. In Jesus' parable of the talents, He asked us to develop our potential and put our gifts at the service of the community. We don't want anyone to bury his or her talents. We want the children to discover their gifts and be fulfilled intellectually, physically, emotionally and spiritually. We also want parents to feel free to share their talents at school whenever possible. Together we can give the students the firm foundation and support they need to build successful, productive lives.

We truly believe that with cooperation, understanding and love we can enrich our students' lives to the fullest and do something beautiful with God. We are looking forward to working with you this 2013/2014 school year.

Sincerely,

Keith Senior, Principal  
St. Bruno Faculty and Staff

### Role in Society and Education

St. Bruno School has been devoted to building community, educating for service and proclaiming the message of the Gospel since 1887. The founders began with a spirit in their hearts to educate and enable the children to develop their Catholic values and faith. Their pioneering spirit lives on, as those ideas continue to be fostered at St. Bruno today.

St. Bruno School strives to maintain a close relationship between parents and school, thus creating a “family atmosphere”. With this cohesive network of communication and commitment, the “whole child” is educated; spiritually, intellectually, physically, morally and socially.

### St. Bruno School Mission Statement

**St. Bruno school fosters Christian Values in a faith based Community Atmosphere emphasizing exceptional Academic Rigor balanced by integrated personal Discipline and deep Moral and Ethical understanding of God.**

## **History**

In 1886, the parish was founded and given the name St. Bruno. The school, built in 1887, was the first school established when the Diocese of Belleville was founded. The first school had one classroom for 60 students and a second story used as a home for the Sister Adorers of the Blood of Christ. A two-room school was built in 1891. In 1949, the school was moved across Gordon Street, adding it to the Lehman house and making it a three-room school for over 100 students. A two-story building providing classrooms for grades 1-8 was dedicated in 1956.

Improvements have been made through the years to enhance the facilities for a better learning environment. The most extensive change was made starting in May of 1992. The entire interior of the building was remodeled. The asbestos was removed and new plumbing and electrical services were installed. Through the gifts of private donors, new furniture was bought for the cafeteria and several other areas. October 4, 1992, St. Bruno School was rededicated during a special liturgy. This was the feast day of St. Bruno.

The Sister Adorers of the Blood of Christ had staffed the school since its beginning. They maintained a presence in the school until the 1997-98 school year. From 1999 until June, 2004, the School Sisters of Notre Dame were here to minister in the school. The Parish Center, completed in 1966, provided a gymnasium, a lounge for social activities and a stage. In 1996, the lounge was turned into a preschool to house an educational program for three-year-olds and a pre-kindergarten program for four-year-olds. In April of 1999, the gym floor was refinished.

In April of 2001 the classrooms were air-conditioned by window units. The building had to be rewired to accommodate the units. The school had a program for grades 1 through 8 until 1994 when a kindergarten was added to the school program. St. Mary Magdalene at Todd's Mill closed in 1978. Some parents chose to send their children to St. Bruno. In 1998 St. Charles School in DuBois closed and some of those children joined our student body. Sadly, in 2008 Sacred Heart School in DuQuoin closed, but we were blessed to have their children join our school. Today we also have students from Sparta areas as well as students of other faiths.

## **School Philosophy**

St. Bruno Catholic School, as an elementary educational facility within the Belleville Diocesan Systems of Schools, aspires to the optimum spiritual, social, emotional, psychological and academic growth of its students with emphasis on the achievement of educational potential.

Through a balanced curriculum of religion, language arts, natural and social sciences, mathematics, art, music, health and physical education, St. Bruno School seeks to attain the following goals:

*MORAL AND SPIRITUAL DEVELOPMENT*-To teach a program of Catholic doctrine, the tradition of the Church, scripture, liturgy, Christian morality and to provide the students with experience in Christian living in order to help them develop reverence for God and respect for God's creation and a recognition of the basic goodness of themselves and others.

*SOCIAL RESPONSIBILITY*-To instill discipline which is positive and self-directed, evolving from an initial self-respect and an awareness of the rights and the needs of others and emphasizing the concept of charity as well as social justice.

*EMOTIONAL GROWTH*- To stimulate emotional growth and stability by creating an atmosphere of freedom of expression with students accepting ultimate responsibility for their actions. Our acknowledgment that God is our creator makes us aware of the dignity of every human being. We strive to instill self-esteem within each child and to show by example that each child is loved and is a loving person with dignity and worth.

*ACADEMIC EXCELLENCE*- To achieve the academic potential of each student by encouraging intellectual development through logical and investigative thinking. To increase the enthusiasm for learning and the development of each student's individual gifts and talents.

*PHYSICAL FITNESS*- To encourage physical fitness through programs emphasizing healthful living, exercise for physical development and an opportunity to participate in interscholastic activities.

*EXTRACURRICULAR ACTIVITIES*- To enrich the core curriculum with opportunities to participate in activities which develop leadership skills and the ability to work with people of different backgrounds, ages, and abilities.

As it prepares students and faculty by maintaining standards of excellence and as it develops to keep abreast of current educational needs of the society, St. Bruno School will thus be an asset to the Catholic Ideals of Education and the people it seeks to serve.

### **Overall School Objectives**

1. To contribute to the total development of each student.
2. To further spiritual and moral growth.
3. To provide adequate opportunities for the individual needs of students at a given level in order to prepare them for their place in life.
4. To provide opportunities to develop the potentialities for creative thinking, for learning to accept responsibilities, and for developing alert, active, and articulate leadership.
5. To provide for its student body a curriculum that has basic skills as a basis upon which all curricula is built and computer technology is integrated.
6. Create instruction so it will allow for student input, discussion, expansion and exploration.
7. Encourage students to be active and participate in extra-curricular activities so they have opportunities to build responsibility and leadership.
8. Create an educational environment in which students feel safe, secure, and protected.

### **GUIDELINES**

## **Admission**

A child who is five years of age or who will reach the age of five by September 1st may enter Kindergarten in August. Children baptized outside the parish and entering Kindergarten at St. Bruno will need to present a baptismal certificate. Students who are active members in other parishes need to have a form signed by the pastor.

The Illinois State School Code requires that every child have a physical examination prior to or upon his/her entrance into kindergarten and 6<sup>TH</sup> GRADE. Consequently, your child must be examined by your family physician if he/she:

- Enters Kindergarten
- Enters 6th grade
- Enters from out of state
- Or has no record of a physical examination.

Medical forms are distributed at the end of the school year. These forms must be returned to school on the first day of school. Dental exams are required for students in Kindergarten, Grade 2 and Grade 6. Kindergarten students are also required to have an eye exam on file from an optometrist.

## **Probationary Enrollment**

All transfer students will be admitted to St. Bruno School on a probationary basis after a conference is held with the parent, child, teacher and principal. The parent or legal guardian will be required to fill out an Application of Admission form. The school in which the child previously attended will be contacted and asked to report on the child's good standing prior to withdrawal. Copies of all records will also be requested.

St. Bruno School will not automatically accept students in who are transferring from a public school system. The parents must give reason for transfer. The acceptance or denial of enrollment will be determined after the pastor and principal confers.

Students who are admitted will remain on probation until such time as records are received from the transferring school and a "sufficient period of time" has passed to guarantee that any "special" needs- of the child- can be met by existing St. Bruno School curriculum and resources.

"Sufficient time" is to be judged by the principal and teachers involved on a case by case basis, preferably not to exceed 6 weeks. The parent/guardian will confer with the teachers on a weekly basis and with the principal at the end of the time of probation to determine if the student is able to meet success in his/her new environment.

St. Bruno School reserves the right at any time to require that any student with needs that cannot be met by existing curriculum or staff (as decided by the pastor, principal, and teachers involved) not be enrolled at this school. The board will be kept informed on a current basis by the principal of all problem situations existing and the resulting actions taken. (Adopted by St. Bruno School Board May, 1995)

## **Non-Catholic Students**

St. Bruno School is a Catholic School with a Catholic Philosophy of Education. Our curriculum is taught within the framework of this Catholic Philosophy. The acceptance of non-Catholic students within the school will be based upon the following guidelines:

1. The reason for the transfer to a Parochial School System.
2. Previous education experience of the child.

### **Tuition**

Tuition for Catholic families is \$2400 for one child, \$3250 for two children, \$3400 for three children, \$3550 for four children, and \$3700 for five children for the 2013/2014 school year.

Tuition for Catholic families who are not members of St. Bruno Parish is supplemented by the respective parishes. (Diocesan Policy 3240.2) **If you do not attend mass in your declared parish on a regular basis, you will be assessed the tuition rate for families of other faiths.** Your parish priest will make the decision in this matter.

Tuition for families of other faiths is \$2,850 for the first child \$3,850 for two children, \$4,050 for three children, \$4,250 for four children and \$4,450 for five children for 2013/14 school year.

### **Book Bill/Technology Fee**

The Board of Education annually establishes student fees for each grade to pay for textbooks, consumable books and supplies, and direct student fees. ***Book fees are a non-refundable \$100 per student that will be paid at the time of registration.*** If you are unable to pay the fee at this time, please contact the Principal in order to make other arrangements. Students are responsible for keeping books in good condition. If a book is damaged in any way, the student will be required to pay a fee to replace the book.

The Board of Education has established a technology fee for each student. Technology fees are non-refundable, \$200.00 for each child in the family, ***that will be billed monthly along with tuition. Technology fees will be used specifically for maintaining and advancing technology in the school.***

If ***tuition and*** fees are not paid by ***June 1<sup>st</sup>***, report cards and other documents will be held until fees are paid ***in accordance to Diocese Policy 5119.***

### **Tuition Assistance**

It is a long-standing policy of St. Bruno School that no child from the parish will be denied admission solely because of financial hardship. If assistance is needed, please contact the office to obtain the Tuition Assistance application. Assistance will be given on a case-by-case basis. Diocesan forms may be obtained from the office to apply for assistance. Forms are due Mar. 15 and Aug. 15 each year. ***Only the principal and Priest will have access to these forms as they will be used to make recommendations to the Diocese of Belleville and Ruppert Scholarship Committee.***

### **Tuition Payment Policy**

***Tuition is required to be paid on an advance current basis. Payments must begin by August 30th and must be completed by May 31st. Installment intervals may be determined by each family as long as the above criteria are met. In order for the school to meet its financial obligations, tuition payments must be made on a consistent and timely basis. The only payment options are to pay tuition and fees in full by August 15<sup>th</sup> or to be enrolled in SMART Tuition on a payment plan.***

*A family with an outstanding and unexplained tuition bill by the end of the first **month** will be required to meet with the Principal and Pastor to work out a payment agreement in order for a student to receive his/her report card. Report cards and other documents will also be held until full payment is received. A family of an 8th grade student must have all tuition and fees paid by May 1 in order for the student to receive his/her diploma.*

### **Tuition Refund Policy**

*In the event a student leaves St. Bruno School prior to the end of the current month, a refund in tuition will be given for the unused portion. The amount of refund will be calculated based on the total amount of tuition paid divided by the number of attendance days, which is 176 days. (e.g. \$2400 divided by 176 days equals \$13.64 per day.)*

#### **Book Bill/Technology Fee**

The Board of Education annually establishes student fees for each grade to pay for textbooks, consumable books and supplies, and direct student fees. This fee will be due upon notice. If you are unable to pay the fee at this time, please contact the Principal in order to make other arrangements. Book bills are non-refundable.

Book fees are \$100 per student.

Students are responsible for keeping books in good condition. All books are to be covered. If a book is damaged in any way, the student will be required to pay a fee to replace the book.

The Board of Education has established a technology fee for each student. Technology fees are nonrefundable. The technology fee is \$200.00 for each child in the family.

If book and technology fees are not paid by the end of the school year, report cards and other documents will be held until fees are paid.

### **Vacations**

When school is in session, parents are discouraged from taking their children out of class for extended vacations. However, if it cannot be avoided, families taking vacation during school days are expected to notify the teacher at least two weeks in advance. A student will be expected to complete all assignments given while he/she is out of class. Assignments are due upon return to school. Upon return, tests will be taken as scheduled.

### **Arrival to and From School**

Bus transportation is provided by the Pinckneyville High School District #101 and the Pinckneyville Grade School District #50 for the students living more than 1 1/2 miles from school. Buses or parents may deliver students on either the east or west side of the school in the morning after 7:30 a.m.

All students being picked up by parents at the end of a school day will be coming out the west side of the school and crossing at the designated patrolled crosswalk. All drivers are asked to park on the lot across from church, facing the west. Please do not park on the street.

**\*ALL STUDENTS MUST HAVE WRITTEN PARENTAL PERMISSION PRIOR TO CHANGING HIS/HER METHOD OR ROUTE TO HIS/HER DESIGNATED DESTINATION.** To ensure the safety of all students, afternoon transportation arrangements must be made clear to your child prior to his/her arrival at school. When

routine transportation is not available, written notice must be given to the teacher, except in cases of extreme emergency.

All students riding the bus home will be picked up at school by a high school or grade school bus and taken to the senior high or junior high for transferring to their correct bus. Established routes are set at the beginning of each year and kept as closely as possible for regular times of pick-up and returning home. It is important all students riding the bus observe certain bus regulations:

**1. Be on time at the designated bus stop. DuQuoin riders need to be at Sacred Heart Church by 7:15am in order for the students that are eating breakfast to have sufficient time to do so.**

2. Observe safe conduct while waiting for the bus to come to a complete stop before entering or departing. Always wait for a sign from the driver before crossing a road.
3. Be courteous and respectful to the bus driver. Remember that loud talking, laughing, or unnecessary confusion diverts the driver's attention and could result in an accident.
4. Observe safe rules at all times. These include, among others:
  - Remain seated at all times, never kneeling or standing in the seat.
  - Keep hands and arms inside the bus.
  - Never throw things on the floor or out the window.
  - Keep your voice down so the driver can remain attentive to traffic.
  - Be especially quiet at railroad crossings.
  - Keep books, packages, projects, band instruments, etc. out of aisles.
5. No animals, pets, soda, water guns, or radios are to be brought on the bus.
6. Be courteous and helpful to fellow students, especially smaller children.
7. In the event of a road emergency, remain in the bus until instructions are given by the driver.
8. Treat bus equipment as you would your own valuable furniture in your home. Never tamper with the bus or its safety equipment.
9. Do not ask the driver to stop at places other than the regular bus stop or to where you are to return home. He/she is not permitted to do this except by proper authorization from school or your parents.
10. These rules and regulations for safe riding practices should be observed as extra-curricular or co-curricular activities under school sponsorship as practiced daily. Be respectful of all chaperones appointed by the school.

### **School Cancellations**

Information on school closing due to bad weather will be broadcast on Radio Station WDQN 1580AM and KFVS Ch 12 on TV. In case the weather necessitates an early school closing, the closing will be announced on this radio station. It is a standing rule that if District #50 closes due to the weather, St. Bruno School will also close. The Global Connect system will also be used to notify parents. Please listen to your message before calling the school and tying up the phone lines.

### **1. Attendance**

According to Illinois State Law, students must be in session 176 days a year. The importance of attendance for a child's academic progress cannot be overemphasized. Extended or repeated absences are not conducive to learning. By law St. Bruno School is required to enforce the attendance rules and regulations of the state of Illinois.

## 2. Truancy

St. Bruno will seek the assistance of the Regional Office of Education when a student is exhibiting truancy patterns. A student who is absent (without an excused absence) 10% or more of the 176 regular attendance days or about 17 days is in violation of this policy (Illinois School Code 105 ILSC 5/26-21). Unexcused absences could result in a student not being permitted to advance to the next grade.

## 3. Absences and Tardies

Regular attendance is essential for scholastic achievement. Teachers are required to keep a daily record of attendance for the students' permanent record cards.

The following guidelines are used when a student is tardy or absent:

A.M. arrival between 8:00-8:30	TARDY
A.M. arrival between 8:30-12:00	½ day ABSENT
P.M. departure before 2:00	½ day ABSENT

When a student arrives at school and leaves to go to the doctor or other appointment and returns within one hour, the student will not be considered as absent. If the student is gone for more than one hour, the student will be considered 1/2 day absent. If a student leaves school within one hour of normal dismissal for a medical appointment, the student will not be considered as absent.

When a student is to be absent from school or tardy, the parent/guardian is asked to call the school office (357-8276) between 7:15-8:00 a.m. and 8:30-9:00 a.m. to report the absence.

## Access and Departure of the Building

- The west doors will be unlocked by 7:30 a.m. students who walk or are driven to school will be dropped off in the church parking lot west of the school or the KC parking lot north of the school. **Students will enter the west doors and proceed to the cafeteria in the morning.** Bus students will be dropped off near the carport and enter the west doors.
- Students will remain in the cafeteria unless with a teacher. Students will not be permitted in the rest of the building prior to 7:50. At 7:50, students will be dismissed to his/her classroom. Announcements and prayer over the P.A. will be at 7:55. Class time will begin at 8:00. Once a student arrives at school he or she is not permitted off the premises, before, during or after school hours, unless written parental permission is given and the teacher and school office have been notified.  
By 8:00, all exterior doors will be locked during the school day. **If a visitor wants to enter the facility, they must ring the bell located at the east and west entrances and go directly to the office and receive a visitor's pass from school personnel.**
- Evening pickup for students riding the bus will be dismissed out the east doors to the appropriate bus. Students who are vehicle riders or walkers will be dismissed out the west doors and may either be picked up in front of the church or walked to the church parking lot west of the school.
- If the riding or walking status of the student going home should change a handwritten notice must be provided to the classroom teacher or a phone call to the office must be made prior to changes being implemented.

## Church

All children will attend Mass weekly, usually Wednesday morning. Parents, grandparents and friends are encouraged to join our students at Mass whenever possible. Classes take turns preparing the liturgy and doing the leadership roles. Students should dress in nice attire on Mass days

### **Library/Technology Room**

The library and Accelerated Reading room have been combined on the first floor. There are storybooks as well as reference materials for research. Each classroom has access to the internet to use for research. From time to time the class will make use of the public library. Parents that live within the city limits of Pinckneyville are encouraged to get a free library card from the Pinckneyville Library. All others may check out materials using the school's library card for educational purposes.

### **Parent Teacher Conferences**

Parent-Teacher Conferences for an individual student's progress will be held at least once a year. Usually this is in November after the Terra Nova tests are returned. If an extra conference time with teacher and/or Principal is needed during the school year, a time may be scheduled by phoning the school office and making an appointment with the school administrative assistant. From time to time, teachers and/or the Principal may call a special conference to discuss a student's progress or lack of. Parents are required to attend these meetings.

### **Parent Teacher Organization**

All parents of St. Bruno Students and faculty members of the school belong to the P.T.O. The Organization meets the first Tuesday of each month.

The purpose of the P.T.O. is to increase communication between home and school and to organize fundraisers to supplement the budget. This organization helps with such events as field trips, school picnics, graduation, Confirmation, teacher appreciation and the quilters' luncheon.

PTO fundraisers are set by the PTO at the last PTO meeting of the school year. Fundraisers may or may not change from year to year depending on the needs of the school and trends of each particular type of fundraiser. A list of those fundraisers will be made available at the beginning of each school year and posted on the school website.

All fundraising material will be sent to each family regardless of the opt-out option. This will keep the process stream-lined and also allow families to be made aware of the functions in the event they may be interested in buying and/or participating in the function. Therefore, if you have opted-out, you may still choose to participate in fundraising activities as you see fit.

Parents may opt out of all fundraising activities by paying an additional \$750 in tuition per family by September 1<sup>st</sup> of each school year. Opting out includes functions/fundraising that is limited to PTO only and do not include non-PTO fundraising. Examples of non-PTO fundraising are (but are not limited to): school related fundraisers such as school apparel, movies, Parish picnic, and fun week. Fundraisers directly related to athletics or extra-curricular activities are not eligible for opting out as these fundraisers are directly related to the participation of your child. These are (but are not limited to) sports, band, team quest, scholastic bowl, etc.

Bingo is a separate option because it is a bi-monthly commitment made by the PTO to secure an annual donation to St. Bruno School from the Knights of Columbus where the PTO is required to supply workers or desserts on the first and fourth Friday of each month through out the year, and therefore is not eligible for the

opt-out option. All parents are divided in to five groups, and every effort will be made to group families on teams according to their geographical location. An example of this would have one team comprised of all the families from the Du Quoin area. This will make transportation and delivery as easy as possible on all families.

If opting out is not chosen, each family will be required to participate in a minimum of three working fundraisers as set by the PTO. These are considered to be (but may not be limited to) the following: annual auction (fall), gun of the month, PTO breakfast, book fair, spring raffle, scrip, etc. as set by the PTO at the last meeting. ALL fundraisers are valued at \$250 each. These fundraisers are to help off-set the costs of tuition for all children. Failure to participate in an assigned fundraiser may result in an increase in tuition of \$250 per fundraiser missed.

### **Dress Code (K-8)**

The student dress code is intended to create a positive school climate of respect for self and others, maintain safety, and foster an environment that allows for effective teaching and learning. Parents are asked to monitor their children's attire on a daily basis. This policy shall apply to all students during the regular school day or other times as deemed appropriate by the principal unless specified otherwise.

***If you question whether clothing is appropriate, do not allow it to be worn to school.***

#### *Appropriate Boys' Clothing Allowed*

A dress shirt of any kind, athletic shirt, or knitted top with crew neck or placket opening may be worn. Jeans, dress slacks or khakis without holes in them or frayed edges are to be worn.

#### *Appropriate Girls' Clothing Allowed*

A dress, skirt, jumper, pantsuit, slacks, jeans, or capris may be worn. Capri pants are those that the end goes below the knee when standing or sitting. Blouses or modest tops are acceptable, if they cover beyond the waist line, do not have a low neck line, spaghetti straps, or are worn off the shoulder, regardless of undergarment.

#### *For All Students*

See through sheer or mesh clothing, short skirts, short midriffs, halter tops, tank tops, cut off, muscle shirts or shirts with frayed-edges, holes are not permissible. Shirts cannot have objectionable/offensive patches, sayings, logos or pictures. Clothing that does not appropriately or proportionately fit in that it is too long, too tight, too big or too baggy may not be worn. Student's undergarments must be covered at all times. Pajama pants, sports pants, sweat pants, yoga pants, and/or pants with writing or pictures on the seat of the pant are not allowed. While students are active in a sport or recess, there should be no skin showing between the bottom of their shirt and pants.

#### *Shorts*

Students are permitted to wear shorts from the first day of school to September 30, and May 1 to the last day of school. Biker shorts, tight fitting, cut-off shorts, short-shorts, and sport shorts are prohibited. Shorts must be of a length that the bottom of the short must be beyond the tip of the longest finger when arms are at their side.

#### *Shoes*

Students are not allowed to wear open toe or open back shoes because of safety concerns with these types of shoes. Shoes must have a full back of the heel. Crocs, flip-flops, sandals, or slip on shoes will not be allowed.

No Student may wear dangling earrings, hair dyes, have tattoos (temporary or otherwise) or writing on body, and **no makeup**. Hats are not to be worn in the building. Violations of any these will be removed immediately.

Mass Days – Students should dress in respectful, church appropriate attire. Such attire is a dress shirt or collared shirt or that which would be considered “Sunday church attire.”

Field Trips – Students should wear appropriate St. Bruno spirit wear tops that represent our school in a respectful fashion as directed by their teacher.

If a student is in violation of the dress code, school staff will first attempt to find alternative clothing that is kept on hand for the child to wear. This ensures that the student will have less time away from class. If no clothing is available, parents will be notified to bring appropriate clothing to school for their child. Parents are expected to launder the borrowed clothing and return it to school for future use.

**THE PRINCIPAL SHALL MAKE THE FINAL DETERMINATION REGARDING THE APPROPRIATENESS OF A STUDENT’S ATTIRE. ALL DECISIONS CONCERNING ANY DRESS CODE ISSUES WHICH ARE ADDRESSED OR INFERRED IN THIS POLICY ARE ULTIMATELY AT THE DISCRETION OF THE PRINCIPAL.**

### **Abuse and Neglected Child Reporting Act**

#### ***Child Abuse and Sexual Abuse***

The Abuse and Neglected Child Reporting Act (1982) mandates that suspicion of child abuse or neglect be reported to the Department of Children and Family Services (DCFS). The law covers all children up to age 18.

According to the Illinois Department of Children and Family Services Manual for mandated reporters, mandated reporters can be classified in six categories: medical, school, social service/mental health, law enforcement, coroner/medical examiner, and child care personnel. The Manual provides that mandated reporters are persons who work in one of the preceding six categories and who may work with children in the course of their duties. Neither the Act nor its regulations state that the worker must be paid.

All parish and school personnel, including but not limited to, teachers, PSR teachers, youth leaders and youth volunteers, coaches, and administrative staff, principals and DRE's, CRE's, directors and staff assistants of day care centers and nursery schools, child care workers and aides, foster parents, agency homemakers, registered psychologists and volunteers who work with children are mandated reporters.

All mandated reporters are required by law to report suspected child abuse or neglect to the appropriate DCFS field office within 48 hours. A written confirmation must also be mailed to DCFS and sent on special forms available from a local DCFS office or by a confirmation letter stating the essential facts.

The DCFS may ask that licenses/certificates be suspended and/or revoked if it has proof that professional school personnel had knowledge of child abuse and/or neglect and did not report same. When a suspected case is reported to the DCFS, the person reporting the case should inform his/her appropriate authority.

By law, information cannot be withheld on grounds preserving confidentiality. All persons who are mandated to report suspected abuse and neglect are presumed to be acting in good faith. Thus, they are immune from legal liability as a result of a report.

### *When to Call DCFS*

The law states that a mandated reporter should call the child abuse hotline [1-800-25-ABUSE] when he/she has reasonable cause to believe that a child has been abused or neglected. Some examples of when to call are:

1. When a mandated reporter sees someone hitting a child with an object.
2. When a mandated reporter sees marks on a child's body, which look like they were not sustained accidentally.
3. When a child tells you someone has harmed the child.
4. When a child appears to be undernourished, is dressed inappropriately for the weather, or is young and has been left alone.

These are only a few examples of situations when a mandated reporter should report.

Mandated reporters that are associated with Catholic Schools include the following: All parish and school personnel, including but not limited to, teachers, PSR teachers, youth leaders, and youth volunteers, coaches, and administrative staff, principals, and DRE's, CRE's, directors and staff assistants of day care centers and nursery schools, child care workers and aides, foster parents, agency homemakers, registered psychologists and volunteers who work with children.

### *What to Include in an Oral or Written Report*

According to Section 7.9 of the *Illinois Abused and Neglected Child Reporting Act* reports of child abuse or neglect should contain the following information to the extent known by the reporter:

1. The names and addresses of the child and his parents or other persons responsible for his welfare;
2. The name and address of the school that the child attends (or the school the child last attended, if the report is written during the summer when school is not in session), and the name of the school district in which the school is located, if possible;
3. The child's age, sex and race;
4. The nature and extent of the child's abuse or neglect, including any evidence of prior injuries, abuse, or neglect of the child or his siblings;
5. The names of the persons apparently responsible for the abuse or neglect;
6. Family composition, including names, ages, sexes, and races of other children in the home;
7. The name of the person making the report, his occupation, and where he can be reached;
8. The actions taken by the reporting source, including the taking of photographs and x-rays, placing the child in temporary protective custody, or notifying the medical examiner or coroner; and
9. Any other information the person making the report believes may be helpful in the furtherance of the purposes of this Act.

(Diocesan Policy and Regulation 5141.4)

### **Class Field Trips**

Trips may be taken to places or events that are deemed cultural and/or educational. Any other field trips offered by locally established organizations which are deemed educational and are provided for specific grade levels must be approved by the Principal. Usually a bus fee will be charged to help cover part of the transportation expense.

Chaperones are to stay with their assigned groups since they are responsible for them throughout trips. Chaperones are requested not to bring younger siblings on a field trip. Field trips are a privilege, not a right. Parents are responsible to see that their children wear clothing that is appropriate for the occasion.

All students will attend field trips. If funds are an issue, please contact the school principal. No child will be left behind because of lack of funds. If the student is not present, either on the field trip or in school, he or she will be counted absent.

Diocesan permission slips will be sent home for all outings a week in advance of the trip. No child will be permitted to go on a field trip if his/her Diocesan permission slip is not into school on the day of the field trip. It is vital that the permission be on the Diocesan form. Any adult who chaperones a class trip is required to complete a Volunteer Application, have attended a Child Protection training and complete a Sexual Misconduct Questionnaire.

The school administration reserves the right to limit class size.

### **Classroom Parties**

Birthday parties will be celebrated one day each month for students having birthdays that month, as agreed upon between the parents and **the classroom teacher**. There are four regularly scheduled classroom parties held during the school year in grades K-4: Halloween, Christmas, Valentine's Day and Easter. If any other party occasions are requested, they must have special permission of the Principal. The homeroom teacher will be in charge of any classroom parties held throughout the school year. Any parent who assists with classroom parties is required to complete a Volunteer Application as well as a Sexual Misconduct Form.

### **Communication**

When contacting the school the best place to begin is with the person directly involved. The teacher should be contacted when a student related problem is involved or the principal when a school regulation or practice is your concern. The teachers are on duty between 8:00 a.m. and 3:00 p.m. Teacher conference periods will be 30-minute time frame either before 8:00 a.m. or after 3:00 p.m. When a situation cannot be resolved with the staff directly involved, then it should be taken to the next level in the line of authority.

These may differ depending upon the grade level. Extra-curricular activities consist of scholar bowl, speech league, yearbook staff, band, Team Quest and sports. Participation in these activities is a privilege, not a right.

St. Bruno School works in conjunction with the student's home school district for Speech and Special Educational Services.

It is very important that you keep track of your credit for your family. **Please ALWAYS pay in advance.** This is necessary to keep our cafeteria in operation. If your child forgets to bring the money, he/she will have a grace period of two days where he/she may eat the regular lunch. On the third day we will give a peanut butter sandwich as a main entrée, a vegetable and milk. No child will go without food.

Please keep in mind that the lunch program is government funded and we ask you to please take advantage of our free and reduced lunches. ALL INFORMATION IS KEPT STRICTLY CONFIDENTIAL. They shall take every precaution to avert consideration of abortion as an option by the student. In light of compassion, mercy, and justice, they shall confidentially consider each person's case individually after consulting with the parents/guardians. ### **Child Protection Training**

If you plan to volunteer in any capacity such as playground, field trips, class parties, etc. you need to complete this training.

You must have already completed the Initial Training before you can participate in the refresher. If you have joined our school family for the first time you need to take part in the Initial Training.

It is very important that each parent participates in the Child Protection Program. If you want to help in any way at the school you must participate in one the Child Protection training programs. Classes are offered throughout the year at various sites within the diocese. Call the school office for more information.

### **Thursday Envelopes and the School Website**

Each Thursday the oldest child is asked to carry an envelope to parents. It will have any notes from P.T.O., cafeteria or parish that need to get to the parents or guardians. The envelope should be signed and sent back to school **THE NEXT DAY**. Information on how to fill out the lunch envelope and contact information is listed on the outside of the envelope.

Each week the teachers will provide a weekly newsletter stating the lessons that will be covered for the week. Please review weekly newsletters and keep them for a handy reference.

Many classroom teachers email their newsletters. St. Bruno School also has a school website, [stbrunoschool.com](http://stbrunoschool.com) where the lunch menu and teacher newsletters will be posted. **We ask that you take advantage of this in order to save the school money for copying expenses.** If you do not have access to the internet, notify the school and/or teacher and a paper copy will be sent home each Thursday.

### **Asbestos Abatement Act**

The Asbestos Abatement Act (P A 83-1325 and amended by P A 84-1096) requires all schools to be tested for asbestos and have a Management plan for their buildings.

We have had our building inspected by a firm hired by the diocese and have our Management plan in the office. Anyone who wishes to review it may do so in the office between 10-11 a.m. and 1-3 p.m. since our copy of the plan may not be taken out of our office. All friable asbestos has been removed from the school building. There is asbestos present in some of the pipes and flooring of the Parish Center. We have a professional service provider contracted to conduct periodic inspections of the asbestos tile and piping located in the Parish Center. These requirements are required by EPA regulations.

### **Interruptions**

Neither the teachers nor the students should be disturbed during class time. If a conference with a teacher or the Principal is desired, parents should leave a message with the school administrative assistant. All visitors to the

school must report to the administrative assistant's office. Items brought to school during the day by parents should be left on the shelves provided outside the office.

### **Custody Policy**

Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. The school will not be held responsible for failing to honor arrangements that have not been made known. Children will be released to either parent unless the school is provided with a current valid court order directing limitations or restrictions to either parent.

### **Band**

St. Bruno students that reside in the Pinckneyville High School #101 may join District #50 Junior High School Band. If they do not reside in Dist #50 they will have to pay a fee. However, a student must join in the fifth grade or Beginner's Band. Any student participating in band will be excused from class time, but will be responsible for time lost. Band students may take the St. Bruno bus to band. There are fees that are charged for transportation and participation. The fees are on a band fee schedule. Information can be obtained by calling the office.

Any adults who provide transportation for students are required to complete a Volunteer Application, attend a Child Protection training as well as a Sexual Misconduct Questionnaire

### **Crossing Guards**

The seventh and eighth grade students are asked to help with crossing guard duties throughout the year. Those who perform this duty for a minimum of **8 weeks** will be eligible to attend a St. Louis Cardinal game later in the spring.

### **Earned Activities**

Occasionally teachers will get together to promote positive behaviors for our students and reward the students with an earned fun activity and raffle drawings, including Teacher Store. Students that have not earned the activity will be expected to work in a tutoring environment. Criteria for each activity will be announced ahead of time to the students.

### **Student Grievance Procedures**

Parents/guardians are asked to speak with Teacher/Coach first, before the Principal, the Principal before the School Board, and the School Board before the Pastor. Issues are to be addressed at the school/parish level. They are to refrain from bypassing protocol through contact to the Office of Education.

If parents/guardians feel that issues have not been resolved at the initial level following **Direct Formal Contact**, they are to proceed to the next level. Direct formal contact is defined by a written or phone request to set an appointment date and time. This information will be documented.

Conferences will be comprised of the teacher(s)/coach (es)/parent (guardian), and often times, with the student present too. If a teacher or parent/guardian requests in advance, the principal will sit on the discussion.

### **Telephone**

Except in urgent cases, parents are asked to limit their telephone calls. If you wish to leave a message for a student, kindly call the office and the message will be relayed to the homeroom teacher.

### **Cell Phones**

Cell phone usage is prohibited during school hours. They may be used after school outside of the School or Parish Center facilities. The student will be informed that the cell phone will not be allowed at any time thereafter. If a phone call needs to be made during the day, the student must go to the office to request a call be made. Under no circumstances will students be allowed to carry a cell phone during a field trip. Cell phones may be left in the classroom during the field trip. Student bags will be checked before leaving and they will be asked to empty their pockets in front of staff. Staff will carry cell phones in the case of an emergency.

**DSs**  
The usage of DSs on the bus is permissible as long as they are being used appropriately to play games, etc. If it is found to be a problem, DSs will not be allowed either and will be treated like cell phones.

## **STUDENT CODE OF CONDUCT**

### **Care of School Property**

Children are encouraged to take pride in keeping their school and its premises clean and attractive. It is inexcusable to throw litter on the ground, in hallways, classrooms or other areas of the school property. Desks should be kept orderly. Books and other materials should be kept off the floor. Books are used several years. They must be covered at all times to preserve them in good condition for the next class.

### **Discipline/Conduct**

*Attendance at Catholic elementary and secondary schools in the Diocese of Belleville is at the will and discretion of the particular school. As such, attendance and enrollment may be terminated at any time when the school determines that continued enrollment would not be in the best interests of the students, the school, or the educational purposes of the school.*

*All students who attend any Catholic elementary or secondary school in the Diocese of Belleville are expected, as a condition of continued enrollment, to conduct themselves in a manner consistent with the policies and principles of the school. These principles are set out in the student handbook and in the mission and purpose of the Catholic school, as determined by the school.*

*Conduct by a student that the school determines is contrary to, or inconsistent with, the*

*Catholic/Christian principles of the school are grounds for terminating the student's enrollment in the school. These principles and expectations apply to students both on campus and off campus during school-sponsored programs and events (e.g., extended care, athletics, field trips, etc.). These principles and expectations apply during and after school hours, and during times when school is in session and when school is out of session.*

*The school, in its discretion, may determine how to deal with any particular conduct or pattern of conduct depending upon the nature and severity of the problem, surrounding circumstances, and prior record. In some instances, the conduct may be of such a nature that immediate withdrawal may be determined to be appropriate even if it is the first such instance. In cases where the conduct is not as severe or serious, problems may be dealt with using other forms of corrective action, including but not limited to a written warning, suspension from the school, and not participating in or attending parish/school activities, volunteer work, etc.*

*The students' interest in receiving a quality, morally-based education can best be served when students, teachers and school officials all work together and set a proper example. Normally, differences between these individuals should be resolved as quickly as possible. In some instances, however, the school may find it necessary, in its discretion, to require parents/guardians to withdraw their child/children when the situation is warranted. (Diocesan Policy 5131)*

### ***Student Disciplinary Regulations***

Discipline problems are normally handled through a conference between student and teacher. If it is warranted, a note will be sent or a phone call made to inform parents/guardians. For consistent or serious misbehavior, a student may be sent to the Principal or receive a detention to be served for one hour after school. If there is a failure to serve a disciplinary action before the school year is completed. It shall be served in summer or next school year.

If the User is a student, the student and his or her parent(s)/guardian(s) must sign this Authorization. Please read this document carefully before signing.

All use of the Network shall be consistent with the school/parish/diocese's goal of promoting educational excellence by facilitating resource sharing, innovation and communication. This Authorization does not attempt to state all required or prescribed behavior by Users. However, some specific examples are provided. The failure of any User to follow the terms of this Authorization for Internet Access or the Internet

Code of Conduct will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

The signature(s) at the end of this handbook is legally binding and indicates the party who signed has read the terms and conditions carefully and understands their significance. (Diocesan Policy and Regulation 1341)

The following are the guidelines regarding detention, in-school suspension, suspension and expulsion:

### **Bring Your Own Device (BYOD)**

Noncompliance with applicable regulations may result in suspension or termination of privileges and other disciplinary action consistent with St. Bruno School policies.

### **Detentions**

If the Principal deems that an after-school detention is warranted for certain behaviors parents need to make an effort to cooperate with the school in having their child serve the detention as soon as possible. It needs to be noted that immediate consequences are best and deter the behavior from occurring again.

### **Suspensions from School**

Certain behaviors warrant an in-school suspension or an out-of school suspension. The length of the time a student will be suspended depends on the seriousness and frequency of the violation to be determined by the Principal.

The process for the handling of suspension is:

- a. Suspensions can be in school or at home depending on situation.
- b. The student must make up all school work missed while suspended.
- c. A student-parent/guardian-principal conference may be held before the student may return to school or class.

  - a. The student shall be informed of the charges against him/her.
  - b. The student shall be permitted to face his/her accusers, hear the testimony of the witnesses and respond to the charges.
2. The Principal and Pastor make the final decision and communicate it to the parents.
3. In the event of an expulsion, the Principal will cooperate with the parents in attempting to make arrangements for the future education of the pupil in another school.
4. Within 10 days after the expulsion of a student, the Principal shall notify the Director of Elementary Education in writing of the expulsion and state the reasons for the action.
5. Parents who are dissatisfied with the action taken by the Principal and Pastor shall have recourse to the Local Board of Education.
6. If satisfaction is not reached at the local level, an appeal may be made to the Diocesan Board of Education.

### **Parents Disciplinary Regulation Policy**

All parents should be aware of the Disciplinary Regulation and in the event of a complaint, be prepared to follow the outlined steps. The members of the Board of education should instruct any parents who wish to circumvent any of the procedures that their case will not be reviewed until they have complied with the Discipline Regulation Policy. The following is the policy:

1. Consultation with the parents and individual teacher who is directly involved, if no settlement is made, then
2. Appointment with the principal and parents for a consultation, if no settlement is made then.
3. Parents should arrange to have the matter put on the agenda of the next Board of Education meeting.

### **Bullying**

As a matter of school policy and religious obligation, it is recognized that bullying behavior is not tolerated at St. Bruno Catholic School. Students who are victimized by the abusive power exerted by bullies suffer serious harm to their self-esteem and their feelings of safety as they pursue their academic and social lives. This often results in feelings of isolation and insecurity. In the extreme, a bully's victim can suffer serious physical and/or psychological injury. St. Bruno Catholic School seeks to create an environment of learning, compassion and safety by educating parents, teachers, staff and students in different areas concerning bullying and respect. All members of St. Bruno Catholic School are expected to discourage, prevent, intervene, report and otherwise appropriately address bullying behaviors.

Bullying can be defined as repeated and unwanted teasing, threatening, hitting, spreading rumors, **and excluding others on purpose**. A person is being bullied or victimized when he or she is exposed repeatedly and over time to negative actions on the part of one or more persons. Bullying can be defined as the assertion of power through aggression. Its forms change with age: playground bullying, sexual harassment, gang attacks, date violence, assault, marital violence, child abuse, workplace harassment and elder abuse. Bullies acquire power over victims in many ways: by physical size and strength, by status within peer group, by knowing the victims' weaknesses, or by recruiting support from other children through gossip or exclusion. With repeated bullying, the bully's dominance is established and the victim becomes increasingly distressed and fearful.

This statement is intended to serve notice to students, their parents and all members of St. Bruno Catholic School Community, that bullying conduct is an immediate cause for intervention. In addition, we seek to alert all concerned parties-whether students engaged in bullying behaviors (and their parents or guardians); victims of bullying (and their parents or guardians); or witnesses to victimization or another bully-that bullying is a community concern requiring community-wide accountability and commitment to its prevention, as well as prompt, appropriate and effective response if and when it occurs.

### **Developing Character and Preventing Bullying Behavior**

The best way to prevent a bully is to concentrate on building character. Character is the lasting and distinctive part of the inner person that governs behavior through informed choices and good habits. Without character, students will fail to achieve life's most significant goal-that of being good people who love and serve their Creator and all others.

### **Policy for Handling Unacceptable or Bullying Behavior Between Students**

1. Each student involved in the unacceptable/bully behavior will fill out a form outlining the problem situation and the steps needed to rectify the situation. See page 41. Primary students will dictate their form answers to an older student or teacher. The student or teacher will read the form back to the student and the student will sign his/her name.
2. The students will meet together with their completed forms to discuss their **problem situation with a mediator present (older student, teacher or faculty)** If necessary, a joint form will be filled out by both parties indicating any compromises/plans for refining behavior made during the mediation.
3. A copy of the student's form will be mailed home, along with a carbon note

from the teacher explaining the consequences/punishment, if any, for the behavior. (Consequences/punishment will vary depending on the circumstances of the situation and are at the discretion of the staff member on duty or the Principal).

4. The original forms filled out by each student will be filed by grade level in the office.

***The above policy will be used for unacceptable/bully behavior between two or more students, not as a policy for individual behavioral problems such as talking out of turn, leaving the seat at inappropriate times, etc.***

### **Drug and Alcohol Abuse**

It is the policy of St. Bruno School that the possession, use, distribution, purchase or sale of any alcoholic beverage or any contraband, controlled substance, look-alike drugs or any other illicit drugs by a student is prohibited in the school building, on the school property or on school buses at all times. This policy extends to all school sponsored and related activities, as well as field and athletic trips. Furthermore, students shall not be permitted to attend or remain in school while under the influence of prohibited substances or alcohol. Any student found in violation of this policy shall be disciplined consistent with the Disciplinary Regulations including parental notification and involvement, referral to law enforcement agencies when necessary, suspension and/or expulsion. Anyone caught with alcohol or drugs in their possession, whether on their person, in their desk or in their locker will be reported to the Principal and sent to the office for the enforcement of this policy. Any teacher suspecting possession of either drugs or alcohol by any student can search the locker or desk of the individual. The Principal should be informed of any such searches.

If a student continues his/her misconduct, in-school suspension, suspension or expulsion will follow. The following are the guidelines regarding detention, in-school suspension, suspension and expulsion:

The process for the handling of suspension is:

- d. Suspensions can be in school or at home depending on situation.
- e. The student must make up all school work missed while suspended.
- f. A student-parent/guardian-principal conference may be held before the student may return to school or class.
- g. After the second suspension, the student will be placed on probation.
- h. After the third suspension, the student faces expulsion.

### **Procedure For Police Involvement**

#### ***1. Procedure on Law Enforcement Interrogation of Students***

There may exist occasions where representatives of law enforcement agencies/departments need to conduct investigations in the schools and even request to interview students.

When such a situation becomes necessary and a law enforcement representative comes to the school during school hours to question a student, the following procedures shall be observed:

- A. The law enforcement representative shall be directed to the Principal's Office, state the purpose of the visit, and request permission to interview the student(s).
- B. If the representative is not known to school personnel, personnel shall request and obtain satisfactory identification.

- C. The Principal shall request that the student be interviewed/contacted at home rather than on school property during the legal school day unless there is a judicial order or subpoena, written consent of the parent or guardian of a student under 18, written consent of a student who is 18 or older, or the person is with the Department of Children and Family Services. If any of these conditions are present, the interview should be allowed to proceed. However, a call to the parent/guardian should be placed.
- D. If the conditions in Subpart (C) are not present and a law enforcement representative still wants to proceed, the Principal shall confirm that the parent/guardian has been notified that the student(s) will be questioned. The Principal shall also attempt to reach the parent/guardian to confirm notification and, if the parent/guardian desires, the Principal should not allow the interview to commence without the parent/guardian present. If the parent/guardian is reached and does not desire to be present, the interview can commence with the Principal being present. If the Principal is unable to reach the parent/guardian, the Principal should indicate to the law enforcement representative, that absent emergency circumstance, they will need to conduct the interview elsewhere or at a different time.

**NOTE: in cases involving the Department of Children and Family Services (DCFS), DCFS has authority to interview the student without permission from either the parent or school.**

- E. The Principal shall provide an adequate space where it will be possible for the representative to interview the student(s). The Principal shall be present during the interview along with any interested parent/guardian of the student(s). The interview shall be conducted without interruption and without observance of other school personnel or student(s).
- F. The Principal shall request that legal rights of the student(s) shall be explained to the student by the law enforcement representative prior to any such interrogation.
- G. On certain occasions it may be necessary for the representative to request permission to take the student to headquarters for questioning. If the Principal grants such permission and the student is to be taken from school, the responsibility of notifying the home that the student is being taken from school is that of the Principal. This must be done before the authorities take the student from the building.
- H. If the Principal is absent from the building when a law enforcement representative seeks to conduct an investigation, every attempt should be made to contact the Principal. No investigation may be conducted unless permission has been received from the Principal. In the event no Principal is present, authority may be granted by the [applicable managerial authority over principals and schools] when emergency circumstances exist.

## ***2. Procedure on Law Enforcement Arrest of Students***

In the event that a law enforcement representative comes to school during school hours to arrest a student, the following procedure shall be observed:

- A. When a representative is arresting the student, the Principal may ask to see a warrant. The representative has complete jurisdiction in the matter, and the Principal shall not interfere with the student's removal from the building. It is expected that the contact with the student will be arranged in a manner to make it as unobtrusive as possible.
- B. The Principal shall obtain a contact name and phone number from the representative and notify the minor's parent of the student's whereabouts as soon as the representative takes the student from the building.

## **GRADES AND PROMOTION**

### **Promotion**

In kindergarten all pupils will advance to first grade upon satisfactory completion of the work required at the present grade level. Promotion for grades three through eight is based on marks in major subjects. Any student who fails two or more major subjects for the entire year will be required to remain in that grade level for another year.

### **Report Cards**

Report cards are issued at the end of each quarter. Letter grades are used to designate a student's progress from kindergarten to grade 4. Letter grades and percentages are used in 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grades. Progress reports are sent to all parents at mid-term.

### **Retention and Acceleration**

When a teacher and/or parent believes that retaining or accelerating a student would be in the student's best interest, the following procedures must be adhered to:

1. The teacher shall inform the principal when he/she is considering retention or acceleration of a student. The teacher should give reasons for this consideration. If the request for retention or acceleration of a student comes from the parent, the teacher shall inform the principal of the parent's request and the reasons for this request.
2. The teacher and parent shall meet during the school year to discuss the student's attitude, behavior, and academic progress. Discussion of the student's progress should take place every four weeks, with a written account of meetings kept on file. The teacher shall inform the principal of the times and dates of these meetings prior to the meeting. The principal may find it advisable to attend these meetings.
3. The principal shall see that the student is evaluated through adequate testing to discover a student's academic and emotional needs and abilities, strengths and weaknesses.
4. The level of the student's physical, social, and psychological growth must also be taken into consideration and evaluated.
5. The decision to retain or accelerate a student should be a cooperative one of parent, student, teacher and principal, with the final responsibility for a student's retention resting with the principal.

6. Before a final decision is made to retain or accelerate a student, the case must be reviewed by the Office of Education.

7. Parents must be informed at least 9 weeks before a final decision is made to retain a student.

In specific cases repetition of the grade or acceleration by a particular student may be beneficial because of the special circumstances that are clearly evident through the thorough evaluation process stated above.

### **Honor Roll**

St. Bruno School students in grades 5 through 8 will participate in an Honor Roll Program at the end of each quarter within a school year.

An average from the following subjects will be compiled from the grades given at the end of each quarter of a school year:

According to the Diocesan regulations, students in grades 2 through 8 are administered the Iowa Test of Basic Skills (ITBS) in the fall. The eighth graders go to the High School for Placement Tests in January. The Assessment of Catholic Religious Education Test (ACRE) is designed to assess the religious knowledge and attitude outcome of the total religious program in the Catholic school is given to the fifth and eighth grade class every other year.

### **Homework Academic Policy**

Assignments are purposeful and constructive to the learning process. The amount of time normally required for homework in the primary grades is 20-30 minutes, in the intermediate grades 30-45 minutes and for the upper grade 60-90 minutes. **If your child is consistently spending an excessive amount of time on homework, please contact the homeroom teacher.** Assignment notebooks are provided for grades 3-8. Homework is part

of the learning process and is not used to determine grades. While parents should encourage the child to do the work, the parent should **NEVER** do the work for the child. This defeats the purpose of the homework and

## **EXTRA CURRICULARS**

### **Athletics**

All students participating in sports are required to have an annual physical before participating in a sport, this includes practices. Forms, signed by a physician, are to be on file in the office **and will remain on file for 395 days(SIJHSAA Policy)**. During practices and games, the students are under supervision of the coaches. A copy of St. Bruno Sports Philosophy and Diocesan Guidelines are given to parents/guardians at the annual sports meeting in the fall.

**St. Bruno Catholic School has a co-op for all sports except Volleyball, with Tamaroa Grade School Each Family will be expected to Raise or Pay \$100 before participating in any sport. Each summer the Athletics Association holds a raffle to help offset the cost of the coop with the drawing being held at the St. Bruno Picnic. If a family does not sell \$100 worth of tickets they will be expected to pay the difference of the \$100 before their child(ren) can participate in sports.**

### **St. Bruno School Sports Philosophy**

The sports program at St. Bruno School, which consists of Cross Country, Baseball, Softball, Basketball, Volleyball, and Track. is under the direction of the Belleville Diocesan Inter-Scholastic Athletics Guidelines. Players absent from school may not participate in a game. This program, as part of the total mission of St. Bruno School, exists to develop the whole child by...

- promoting physical health
- providing opportunities to learn the fundamental skills of each particular sport
- offering experiences in constructive competition while developing good sportsmanship
- encouraging teamwork, responsibility, and hard work
- providing experiences to develop and improve skills as well as to accept limitations in ability
- promoting self-confidence and discipline

In accord with the Diocesan guidelines, learning the fundamentals of the sport is the major thrust for students in Pee-Wees through Grade 5. Therefore, each athlete will have played part of each game by the end of the third quarter. Students on Junior Varsity and Varsity level teams will be given as much opportunity to play according to ability, attitude, behavior, effort, and attendance at practices. Playing time, at this level of competition, therefore, is up to the discretion of the coach.

### **Attendance at Games**

We encourage all parents, grandparents, family, and friends of the St. Bruno Falcons to **attend sporting events**. Children should be accompanied by an adult and not running around the gym or in the PreK classroom unsupervised. The Diocese of Belleville has mandated the following code of ethics for spectators.

*Code of Ethics for All St. Bruno Athletes, Coaches, and Fans:*

1. Language used and actions taken should reflect good sportsmanship and be indicative of Catholic values.

2. Officials and visiting coaches should be dealt with in a respectful manner.

3. Under no circumstances should an athlete or fan question an official's call.

Poor conduct at a home or away game or on the bus, will result in prohibition from attending any sports activities for two weeks. Parents working the concession stand and ticket sales at home games should report this to the Principal, one of the coaches, or any faculty member.

### **Sports and Grade Policy**

Generally a student will not be excluded from participating in sports activities because of low grades. However, when it has been determined by the teacher(s), principal, and parents that a student's extracurricular activities and/or classroom behavior are interfering with academic progress, a student may be put on probation. A sports participant may be suspended or dropped from an activity for a major violation of school or parish policy.

Uniforms are provided by the St. Bruno Athletic Committee. All uniforms must be returned to the coaches **or school** at the end of the season.

### **Bus Transportation to Games**

When funds are available by the Athletic Committee, a bus will be provided for games that are at a farther distance. Coaches and sponsors will be responsible for the students' conduct and it will be their decision as to who will be prohibited to go or play at the games. Parents are encouraged to attend sports events with their children. If this is not possible, plans for location and pick-up of your child should be prearranged.

## **SCHOOL SAFETY**

### **Health Service**

Perry County Public Health Department registered nurses administer vision and hearing tests to the students. Physical examination and immunization records are reviewed.

### **Dispensing Medicine**

The school may not dispense aspirin or other oral medication to students. Medication prescribed by a physician must be dispensed by the parent or by the student him/herself. Teachers may not keep medication in their desks. Any medication which must be brought to school must be taken to the office where it can be locked up according to School State Law. A written order from the student's licensed prescriber must accompany all prescription and non-prescription medicine. Parents must have an "Authorization and Permission for Administration of Medications" form on file and a "Physician Request for Self-Administration of Medication" on file.

### **Physicals and Immunizations**

Physical and dental examinations and immunizations are required by the Illinois Department of Public Health and are required of all pupils prior to or upon entrance to certain grades.

Preschool – physical exam and up-to-date immunizations

Kindergarten – physical exam and up-to-date immunizations and dental exam vision and hearing. Perry County Health Department (PCHD) does the hearing portion.

*Students entering Preschool, Kindergarten, grades two, and six, and all new students must have these records on file in the **School Office by October 15<sup>th</sup>** of the current school year. Student health forms not on file will result in removal of said child until these forms are produced. (Code 665, Sec. 665.240)*

Students participating in any School Sports program must have a physical examination before the first practice.

If the physical condition of the student is such that any one or more of the immunizing agents should not be administered, the examining physician shall endorse such fact upon health form.

### **Communicable Diseases/Illnesses**

The following indicates rules for school attendance if a child has the following communicable disease /illnesses:

1. Conjunctivitis: (Pink Eye) May attend school 24 hours after the first application/dose of anti-biotic.
2. Chicken Pox: May not attend school until 6 days following the eruption of the first crop of vesicles.
3. Fever: Must be excluded from school until clear of fever for a 24 hour period.
4. Head Lice: Treated and checked before entry to school. Proof of treatment must be brought and a 48 hour waiting period.
5. Impetigo: Must be excluded from school until sores are completely healed.
6. Measles: May not attend school until rash has disappeared.
7. Whooping Cough: Must be excluded from school three weeks from the onset of the cough.

### **Infectious Disease Control Policy and Immunization**

In accordance with the directives and procedure set forth by the Illinois Department of Public Health, Illinois State Board of Education, and U. S. Center for Disease Control, the American Red Cross, and the U. S. Catholic Conference all students with an infectious disease shall be enrolled in school and shall be permitted to attend school or parish religious education programs.

Students known to have chronic infectious diseases should be individually evaluated in order to determine if their behavior or physical condition poses a high risk of spread of disease.

The decisions regarding the type of educational and care setting should be based on the behavior, neurological development, and physical condition of the student and the type of infectious disease the child may have rubella, hepatitis B, cytomegalovirus (CMV), herpes simplex, or acquired immunity deficiency syndrome

(AIDS). These decisions will be made using the team approach including the parents or legal guardians, public health personnel, family physician, school administration, and Pastor.

Persons involved in the care and education of all children should respect the student's rights to privacy, including maintaining confidential records in accordance with state law.

Parish elementary schools shall not accept students who are transferring from another school in order to avoid a student with AIDS. This policy is consistent with the Christian values that are promoted in all diocesan and parish schools and would be an injustice to the community from both a moral and ethical standpoint. This would be disruptive to both school communities and not in the best interest of the education of the students in either school.

According to the SCHOOL CODE for the State of Illinois, all students must have the proper and appropriate immunization. If students are not in compliance with the law of immunizations, measures will be taken to suspend the students. (Chapter 122, Section 27-28 of the State School Law.)

### **Insurance**

The State of Illinois "Kids Care" insurance plan is available for grades K through 8. Included with the registration forms is the CERTIFICATION OF MEDICAL INSURANCE & INDEMNITY AGREEMENT to validate insurance coverage for each child through a family policy. If students are not covered by school insurance, parents are liable for any medical cost needed from an accident or injury sustained at school. Any student whose parent/guardian refuses either to provide insurance or to sign a waiver form shall not be admitted to the school. (Diocesan Policy 5143)

### **Emergency Information on File**

It is important that the school have on file emergency phone numbers where parents or guardians can be contacted should an emergency arise. The names of persons other than the parents or guardians who might be contacted in an emergency should also be on file. This information must be given on Registration Day. Please update us if changes occur.

Should any phone numbers be changed in the course of the school year, it is important that this information be shared with the school as soon as possible. There is a place on the Thursday envelope for current information. Please keep it updated and when an update is made, drop a note inside the envelope stating so.

### **Fire, Tornado, Earthquake and Evacuation Drills**

Once during the spring and fall of the school year, the school will participate in a statewide scheduled fire, tornado, and earthquake drill practice. The students also practice evacuation in case of bomb threats or in case anyone enters the building who means to do harm.
