

## Pizza Hut Book It

During the months of October through March, the children will have a reading goal set by me. If he/she meets the goal that is set for that month, then he/she will receive a Pizza Hut Book It Certificate that entitles him/her to a personal pan pizza.

Goals:

October-three books

November-three books

December-four books

January-five books

February-six books

March-seven books

Books that count:

Reading books in reading bag

AR Books

Books that you read to your child at home

Books at home that your child reads to you

Counting Books

If you read My H and D book that will count for two books. Remember even though you read them more than once, you can only count them one time.

I will be sending home the information tomorrow from school. I am not sure of how the recording form is this year. Last year it was very confusing they wanted you to count minutes. I do not count minutes! If it is like that again, ignore the minutes and just write the books on the form.

October forms must be completed before or by October 31 to receive a certificate. The same with the other months.

I encourage participation. In April, we have an awards ceremony and the students will receive certificates for different things they participate in.

Certificates children can earn for Awards Night:

1. Pizza Hut Book It (All kids can earn this)
2. Math-A-Thon (March) (All kids can earn this)
3. Accelerated Reading (All Kids earn this one)
4. Religion Bee Winner (three winners)
5. Spelling Bee Winner (three winners)

I hope this some what clear it was kind of confusing trying to explain. Contact me if you need for it to be clearer!

Sandy
