

February 20-24, 2012

Dear Parents,

I would like to thank those of you who brought in extra Kleenex boxes. We are still in need of a few more. Thanks.

Picture day is Friday. We will have a class picture taken and students will have individual ones taken too. If you do not want the individual one taken please send a note. You do not have to purchase the individual one if taken. You may look it over and then decide. If you are not interested in it, you just return the package.

Reading: Play: K.C. Dream. Students will be working on a play in the gym. Students will become distinguished black Americans that encourage K.C. to believe in herself. We will try to have the play on the 28th or 29th. (The 29th is Father Brian's last day so it may have to be on the 28th). The students will let you know.

Math: Students will cover lessons 106-109. Please practice multiplication and division facts when you can. Oswego math is a great place for students to practice.

Spelling: Spelling words will come from the play. I will be giving each student a copy of the list on Monday. **The test will be Friday.**

Handwriting: Spelling words

English: We will cover lesson 69-70. There will be a **test on Friday.** Students will be practicing punctuation for business letters. The test is Friday.

Religion: Chapter 16: Look for the study guild on Tuesday **Test on Wed.**

Social Studies: P 150- 165: Story "The Babe and I" and how people earn money.

Science: the 3 types of rocks, Fossil layers: I am asking each students to bring in multicolored clay, play dough, or homemade clay by Thursday. Multicolored is what the project calls for. We will be making fossils.
