

## **PTO Meeting Announcement – February 7th at 6:00 p.m.**

Hello parents! Somehow, next year is just around the corner. The next PTO meeting, February 7, at 6:00 p.m. will be at the school and will focus on several important items for next year.

**2012-2013 School fundraisers** – We need to look at our 2012-2013 school year fund raising events and sales. We will examine and discuss how this years fundraising went and look towards naming and planning next years' events. If we decide to do not elect to keep a fundraiser for next year we need to organize and vote to replace any fundraisers we do not approve for next year. We need to get this task completed this meeting so that our selections can be sent to the Feb School Board meeting to be ready for start of the year signups.

**Fundraising Ideas** – We want to be prepared and have numbers calculated (projected profit) before the meeting so if you have an idea for a fundraiser next year please contact Don Laur (201-4460 – [donlaur@gmail.com](mailto:donlaur@gmail.com)). A few parents will be meeting a bit before 6 to discuss fundraisers ... those with other obligations.

Possible fundraising ideas that can be discussed include:

- Rib Sale
- Chicken & Music Dinner
- Required buy for Scrip. Expanding scrip to be a required purchase or sale.

**PTO officer nomination and election** – Nomination ballots will be going out in February from the presiding PTO secretary, Leslie Miller. We ask that you consider who would be a good candidate for nomination for PTO office. Nomination ballots would then need to be returned by March 15th. After the secretary notifies all nominees and ballots are created formal election ballots will be mailed to each family prior to March 25th.
